

## SPC-125 - LS Power Cable 100m

### Højtalerkabler

**"HØJ KVALITET, MEGET FLEKSIBLE"**

- 100 m rulle
- Gennemsigtig isolering med rød core kodning

## Technical data:

|                        |                           |
|------------------------|---------------------------|
| Intended use           | : speakers                |
| Connectors             | : -                       |
| Cable specification    | : -                       |
| Length                 | : 100 m                   |
| Spliced                | : -                       |
| Colour                 | : transparent             |
| Internal conductor     | : 2 x 2.5 mm <sup>2</sup> |
| Material               | : OFC                     |
| No. of cores           | : 2                       |
| Cable diameter         | : -                       |
| Metre marking          | : -                       |
| Minimum bending radius | : -                       |
| Shielding              | : -                       |
| Shielding value        | : -                       |
| Impedance              | : -                       |
| Attenuation            | : -                       |
| Capacitance            | : -                       |
| Power rating           | : -                       |
| Rated current          | : -                       |
| Packaging              | : reel                    |
| Weight                 | : 7.98 kg                 |
| Position               | : -                       |
| Special feature        | : -                       |
| Other features         | : core coding, red        |
